BONNER HOMEROOM PARENTS		WINDON HOMEROOM PARENTS	
WEDNESDAY, FEBRUARY 27th		WEDNESDAY, MARCH 6th	
4:20 - 4:40		4:20 - 4:40	
4:40 - 5:00	Parent reserved	4:40 - 5:00	Parent reserved
5:00 - 5:20	Parent reserved	5:00 - 5:20	Parent reserved
5:20 - 5:40	Parent reserved	5:20 - 5:40	Parent reserved
5:40 - 6:00		5:40 - 6:00	

Book It!

For students to participate in Book It!, they must read 30 minutes a day and record the minutes on the provided calendar (this calendar was given out at the beginning of the month). Students can earn a coupon for a FREE PERSONAL PAN PIZZA FROM PIZZA HUT for fulfilling this goal. How exciting! So keep reading in your evening routines! Enjoy!

**LINK : FEBRUARY BOOK IT! CALENDAR
is DUE MARCH 1st**

Reminder to ALL 5th & 6th Grade Families:

Please have your child practice their math facts regularly as it helps them complete their assignments faster and with better understanding. I recommend 10 minutes a night until mastery.

5th Grade Math Workshop

Day	Lesson #	Learning Objective
Monday	NA	BLIZZARD DAY
Tuesday	20	Convert mixed unit measurement, and solve multi-step word problems.
Wednesday	21	Explain the size of the product, and relate fraction and decimal equivalence to multiplying a fraction by 1.
Thursday	22	Compare the size of the product to the size of the factors.
Friday	23	Compare the size of the product to the size of the factors.

6th Grade Math Workshop

Day	Lesson #	Learning Objective
Monday	NA	BLIZZARD DAY
Tuesday	20	Writing and Evaluating Expressions - Multiplication & Division
Wednesday	21	Writing and Evaluating Expressions - Multiplication & Addition
Thursday	22	Writing and Evaluating Expressions - Exponents
Friday	23	True and False Number Sentences

SCIENCE

UNIT OF STUDY: Solar System

Current question of study...

- **What causes the cycle of the seasons on Earth?**

This week students will be creating models of Earth on its axis. Students will be learning about what happens to Earth in all four seasons and will be able to explain this when finished.

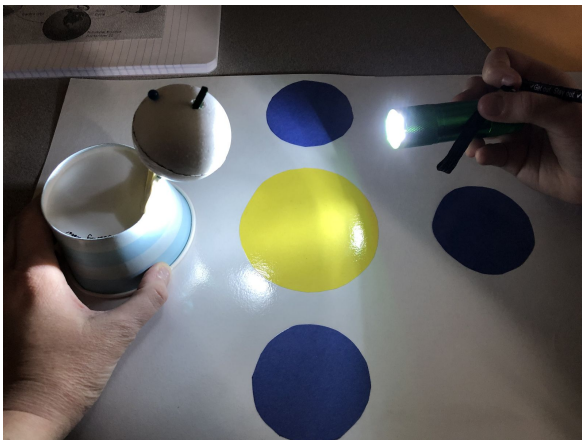

Current Science Standards Taught

E.ES.05.61 Demonstrate and explain seasons using a model.

E.ES.05.62 Explain how the revolution of the Earth around the sun defines a year.

VOCABULARY

- sphere
- hemisphere
- equator
- axis
- tilt
- orbit
- rotate
- direct
- indirect
- solstice
- equinox

Each student made a model and mat to help explain the seasons. Great job kids!!!
